## Who we are

Our website address is: [www.kaapholland.nl](http://www.kaapholland.nl). This website is operated by Kaap Holland Studios (“we”, “us” and/or “our”), with its registered office in Amsterdam, Krom Boomssloot 22 (1011 GW), the Netherlands. You can contact us as indicated under the “Team” section in the main navigation.

## Links to other sites

This website contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

## Cookies

This website uses Google Analytics, a Web analytics service provided by Google, Inc. (‘Google’). Google Analytics uses ‘cookies’, which are text files placed on your computer, to help the website analyse how users use the site. As a rule, the information generated by the cookie about your use of the website is transmitted to and stored by Google on a server in the United States. IP anonymisation is activated on this website, so your IP address will be truncated in Member States of the European Union or in other states party to the Agreement on the European Economic Area.

## Storage of cookies

You may refuse the storage of cookies by selecting the appropriate settings in your browser; however, please note that if you do this, you may not be able to use the full functionality of this website. Furthermore you can prevent Google’s collection and use of data (cookies and IP address) by downloading and installing the browser plug-in available under <https://tools.google.com/dlpage/gaoptout/>.

## Social media

Our website contains links to our social networks and social sharing buttons. These buttons are only links to external networks that allow you to share content on our website within these networks. These buttons do not transmit any data to these networks unless clicked. Once you click one of these buttons you will be redirected to an external network or a sharing form on the respective social network with pre-filled information.

If you are logged into your Facebook account, you can click the Facebook button to link the content of our pages with your Facebook. This means that Facebook can associate visits to our pages with your user account. As the provider of this website,

we expressly point out that we receive no information on the content of the transmitted data or its use.

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically instead of holding them in a moderation queue.

Instagram or Facebook can assign your visit to our website to your user account. Information arising from interaction with the Facebook plug-ins (such as by clicking the Facebook “like” button) will be directly transferred to and stored by Facebook. To prevent this, you must log out of your Instagram or Facebook account before clicking on the associated link.

### **Embedded content**

Pages and/or articles on this site may include embedded content, like podcasts or Vimeo videos, for example. Embedded content from other websites behaves in the exact same way as if you visited the other website.

Third-party embeds may in some cases collect personal data and cause it to be stored, including tracking your interaction with the embedded content if you have an account and are logged-in to that website. The use of personal data by embedded content providers is not covered by this privacy policy, but by the privacy policies of those third-party services. We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services. If you click on a third party link, you will be directed to that third party’s site. We strongly advise you to review the Privacy Policy of every site you visit.

### **Security**

This site uses SSL or TLS encryption for security reasons. You can recognize an encrypted connection in your browser’s address line when it changes from “http://” to “https://” and the lock icon is displayed in your browser’s address bar. Security is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. .

### **Changes to our Privacy Policy**

Any changes we may make to our Privacy Policy in the future will be posted on this page. Please check back frequently to see any updates or modifications.

### **Contact**
